The minimum registry fee has been raised from 40 to 50 cents and the balance of fees will be raised accordingly. Insured mail rates will be 10, 20, 30 and 40 cents. Rates have been 10, 15, 25 and 35 cents.

Certified mail rates are up from 15 to 20 cents. Money order fees now have three classifications: 15 cents from a penny to 05, 20 cents from \$.05 to \$1.00, and 30 cents from \$1.00 to \$10.00.

Returned receipts cost 10 cents instead of seven. Special delivery fees on first class mail going from 20 to 30 cents; from 30 cents to ten pounds went from 25 to 45 cents; more than ten pounds from 50 to 60 cents.

Certificates of mailing are five cents each, a two-cent raise; corrections for mailing lists are five cents each, a four-cent raise. The minimum charge has been 25 cents and will be raised to \$1.

Business reply cards are four cents; business reply mail two cents per piece plus postage now.

## Hearings Set For Belle Glade Project

The Belle Glade Citizen's Committee for \$1.1 million sewer incinerator project on which a referendum will be held at the municipal election in September, will hold a public meeting at 8 p. m. Thursday, July 11, at the City Hall. Acting Chairman Frank C. Anderson said interested citizens will have an opportunity at the meeting to get answers to questions about the proposed issue.

On the panel will be Anderson in behalf of the city; City Attorney Claude Jones, who will answer legal questions; E. C. Hodge, of B. J. Van Ingen & Co. of Miami, the city's fiscal agent, and Frank T. Osteen, Jr., of Lake Worth, with the Russell & Ason consulting engineering firm which has been retained by the city to draw plans for the water works improvement program, and tentative plans for the sewer-incinerator program.

State Rep. Emmett S. Roberts has been invited to act as moderator for the group.

Committee members urge anyone with questions to send them in advance to City Hall as some questions may need advance preparation by the proper panel member.

Another public meeting will be scheduled in August and one in September. Committee members expect to mail out brochures to the voters; speak at meetings during August and to canvass the city by blocks in order to get the proper information to the public.

All city commissioners will be invited to attend the public meeting to hear the discussions.

Production of paper milk containers is expected to reach an all-time high of some 14 billion units in 1957, according to American Can Co., which made the first successful milk cartons in 1934.

## J. W. Repper New C. P. Lions President

J. W. Repper, presiding for the first time as new president of the Canal Point Lions Club at the club's dinner meeting Monday night, announced at the meeting that chairman of standing committees will probably be named at the July 8th meeting when proposed club projects for the coming year will be discussed.

## Red Cross Ask Help For Storm Disaster

To date \$250.00 has been sent into the Palm Beach County Chapter of the American Red Cross for the disaster victims in Louisiana and Texas, George Preston, Chapter Chairman stated today. The needs continue to mount as the dead are buried and the stunned victims attempt to go back to rebuilding of their lives and homes. Preston received word from American National Red Cross officials on the scene that everything is being done to assist those persons in need. Word was received that General Alfred Gruenther, President of the American National Red Cross who is at the scene of the disaster that the Red Cross will stay on the job until the last victim of this frightful storm has been put back on his feet. I know the people of this nation will respond generously to President Eisenhower's appeal for financial help to the Red Cross in Louisiana's great hour of tragedy—and that the funds will be forthcoming with which to do this vital job.

100 National Staff disaster workers are now working in the area assisting hundreds of Chapter volunteers. Preston urges all who will support this need for help to send their contributions to the Palm Beach County Chapter American Red Cross P. O. Box 870, West Palm Beach, Fla.

## 6000 See Pahokee Fireworks Display

An estimated 6,000 persons saw the fireworks display at Pahokee Harbor Thursday night which brought to a climax the all-day program in celebration of Fourth of July.

L. C. Lowery of Belle Glade won the drawing for the boat and trailer sponsored by the Junior Chamber of Commerce for the benefit of the Youth Center Fund. Mrs. Jessie Barnes of Pahokee won the drawing for the LaFrance fire truck, sponsored by the Lions Club.

## Lee Wroten Joins Insurance Staff

Lee Wroten has joined the staff of the Life Insurance Company of Georgia and is now in Melbourne where he expects to be working for the next 17 weeks. Mrs. Wroten and children plan to join him there late next month.

Mr. and Mrs. Walter Boatwright accompanied by her sister, Mrs. Anna Peebles, visited relatives in Swainsboro and Savannah, Ga., over the weekend.

## Contract Let To Rebuild Sanford Farmers' Market

WINTER HAVEN — "Contract has been let for a reinforced concrete, modern building to replace the facilities destroyed by fire on April 4 at our Sanford State Farmers' Market. This was awarded to Gregg, Gibson, Gregg of Leesburg, Florida, and it is expected the facilities will be ready for occupation between October 1st and 15th. We also hope to erect a new restaurant and provide for a new filling station in a more convenient location on the market sometime within the next six to twelve months," L. H. Lewis, Director of Florida State Farmers' Markets, announced today.

"Indications are that our Sanford State Market's spring vegetable and fruit deal is about over. Eight varieties of commodities the past week totaled 27,868 packages valued in excess of \$64,000," Assistant Manager Sandy Anderson reported in his weekly market report to Lewis.

"Okra continues volume and price lead at Plant City State Farmers' Market, with 2,328 bushels of fancy okra at \$1.50 to \$3.75, averaging \$2.67 the past week. Eggplants, peas, peppers and squash brought a total of (continued on page 8)

## David Unwin New Legion Commander

David Unwin was elected new commander of Pahokee Memorial Post 90, American Legion, at the annual election of officers held in the Legion Hall on East Main St. with Bob McQueen, retiring commander, presiding.

Other new officers elected were Paul Collier, first vice commander; William Plummer, second vice commander; Gene Pennington, third vice commander; Henry Williams, finance officer; A. E. Funderburk, sergeant-at-arms, and C. Web Pell, chaplain.

The installation of the new officers took place Monday, July 1, with district officials serving as installing officers. The ceremony was preceded by a turkey dinner.

## Seaboard Railway Opens Freight Yard

BROOKSVILLE — Another indication of the importance of the growth of Florida industry is the recently opened Seaboard Air Line Railway freight assembly and classification yard on the outskirts of Brooksville.

Under construction since July 1956 and costing \$900,000, the yard has 15 classification tracks which can handle from 24 to 147 cars each. There are 14 miles of track with a total capacity of 1,237 cars. Designed to expedite the movement of mined rock and crushed stone from the Brooksville area, full night illumination has been installed along with two-way radio communication; systems and a stand-by emergency power system to assure round-the-clock operation.

## Rep. Roberts Is Lions Guest Speaker

State Rep. Emmett Roberts of Belle Glade was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club.

Introduced by Leon Spooner, program chairman, the speaker reviewed the work of the State Legislature during its recent session at Tallahassee.

Paul Tillery, third vice president, presided.

## Last Rites For T. E. Sullivan, Jr. Held

Funeral services for Thomas Edward Sullivan, Jr., 29, of Jacksonville were held at the First Baptist Church in Pahokee Sunday at 3 p. m., with the Rev. James E. Boyd, pastor, officiating and the Rev. D. E. Avery of Jacksonville assisting.

Mr. Sullivan, a former Pahokee resident, died at 12:30 a. m. Friday when the car he was driving plunged into the drainage canal bordering SR 15 one-half mile south of the Pahokee city limits and he was trapped in the water beneath the vehicle.

He was a veteran of World War II and at the time of his death was employed as assistant manager of an A&P Supermarket at Jacksonville.

Survivors include his wife, Mrs. Frances Sullivan, a daughter, Janell Denise, and a son, Tommy, III, all of Jacksonville; father, T. E. Sullivan, Pahokee; mother, Mrs. John S. Duer, Stuart; three sisters, Mrs. Dorothy Casadei, New York City, Mrs. Lois Daniels, Stuart, and Mrs. Marie Rowe, Jacksonville; and two brothers, Morris Sullivan, Pahokee, and Jackie Sullivan, Melbourne.

Pahokee Memorial Post 90, American Legion, was in charge of the military services at the graveside at the Fort Mayaca Cemetery.

## Boat Races Featured At 4th Celebration

Two classes of boats, prams and moths, participated in the first sailboat races held on Lake Okechobee which took place at Pahokee Thursday afternoon as part of the Fourth of July program.

In the eight-foot pram race, consisting of two boats, Al Franklin and Ed Smith tied for first place. Only four boats were in this class, with Larry Howell and Bruce Bowler also participating.

In the moth class Dick Taylor, former New Jersey State champion, won first place (32 1/4 points) and Mrs. Pat Duane, second, (31 1/4 points). Other contestants included Alex Welch, 22 points; Jack Duane, 20; Morgan Koyen, 18; Jack Banting, 17; Owen Sumnerford, 16; George Franklin, 9; George Watkins, 8; Clyde Coutant, 5, and Charles Cale, 3.

The races were held under the sponsorship of the Pahokee Junior Chamber of Commerce, with Vance Denton in charge of arrangements. Charles Graves with a boat in the windmill class sailed without competition.

Prizes included a portable ice box, a combination boat cushion and life preserver and a paddle.

## St. Lucie Discharge Is Discontinued

Effective at noon last Friday, June 21, 1957, discharge by way of the St. Lucie Canal to control Lake Okechobee levels has been discontinued, Colonel Paul D. Troxler, District Engineer, Jacksonville District, U. S. Army Corps of Engineers, announced this week. Troxler said the discharge still continues by way of the Caloosahatchee River at the rate of about 3,100 cubic feet per second. The District Engineer said that cutting off the St. Lucie Canal discharge, which began during the week of May 13 as the result of continued heavy rainfall over Lake Okechobee and its tributary areas, can now be effected because of the decline of rainfall over the area.

Troxler stated that the St. Lucie Canal discharge has not exceeded 2,200 cubic feet per second during the discharge period despite the fact that at one time an increase of up to 4,000 cubic feet per second was considered but did not have to be made. In announcing this cessation of regulatory discharge by way of the St. Lucie Canal he stressed the fact that any prolonged period of above normal rainfall may again require that St. Lucie Canal discharge be resumed. Lake Okechobee is now 13.2 feet above sea level, which is only slightly above the desired lake level at this time of year, Troxler concluded.

## Inspection Set For Belle Glade Armory

A Florida National Guard inspection team will officially inspect the new National Guard Armory at Belle Glade for formal acceptance at 2 p. m. Thursday, July 11, according to Sgt. Douglas Lee. The armory, built at an approximate cost of \$196,000, is located about one-quarter mile south of Belle Glade on SR 80.

In the inspection party will be Col. Julian Pfaff, U. S. property and fiscal officer for Florida, and Col. Ralph Cooper, state quartermaster representative, both of St. Augustine; Col. Oliver W. Hartwell, West Palm Beach, commander of Co. E of which Belle Glade is a unit, and D. B. Scoville, West Palm Beach architect.

The new building is to be completed by Palmer Construction Co. of Hollywood, contractor, by July 11. Dedication ceremonies are being planned for Aug. 4.

The local National Guard Unit, made up of men from around the lake area, has been using quarters in the American Legion building on S. E. Ave. D and using the streets for a parade ground.

The 1957 Miss Florida beauty queen contest will be staged July 19-21 in Sarasota. Winner of the contest will represent the state in the Miss America Pageant in Atlantic City in September.

Radio station WGTO, Haines City, recently received approval from the FCC to move its studios to Cypress Gardens. A "fish bowl" type studio control room will be constructed to give visitors an easy view of the studio operation.

### Cinematic Chatter

By Malcolm Millar

Hello everybody! Gina Lollobrigida has a name that is synonymous with glamour and beauty in America, despite the fact that most of the movie-going public in the United States have never seen her on the screen. All her movies have been made in Europe by European companies. Only five or six have played here and most of those just in art houses. Newspaper editors delight in using her usually truculent remarks. "Leave my nights alone, they belong to me, not the public." "Sex is not enough, I must have great dramatics." Or the ravens about her Yugoslavian doctor husband, "Milko (Skofic) is more than my husband; he is my personal physician. He is my favorite reporter. He is my tennis coach, my business manager. Above all, he is the guardian of my happiness." She loves to eat in restaurants. Refuses to cook. She has good command of German and Scandinavian, but speaks French and English fluently. Conversations with her are full of surprises. She switches from one language to another right in the middle of sentences. Can't understand the confusion it causes, and that everyone if not as multilingual as herself. She's very friendly when working on the set. Mixes well with all the actors and workmen. Joins in any conversation without a bit of shyness. Gets a line on people by listening intently to group conversations. She is very graceful. Walks beautifully. Sits erect. Never slumps, no matter how uncomfortable the perch. She is quick to speak her mind. But, she is a great actress and America loves her. See you at the movies—Mal.

### Weeki Wachee Spring Water Level Is Up

WEEKI WACHEE SPRING—Until recently the water level of the huge Weeki Wachee spring had dropped to such a low level the mermaids were alarmed that the sub-surface shows might be interrupted.

The tropical storm that brought a deluge recently would have been an ill wind had it brought no one good, but it did extensive good for the flow of water at the spring. The heavy rainfall swept through the earth to subterranean rivers and finally made its way to Weeki Wachee spring where the water table has risen four inches.

So alarmed was the management of the City of St. Petersburg was petitioned to build a dam to hold back the water to maintain a sufficient level in the spring. The city owns the spring and leases it to the attraction.

The low level resulted from nearly eight years of below normal rainfall in the area.

The mermaids are performing now in a steady flow of fresh crystal clearspring water.

4,690 packages grossing \$8,531.66, according to Manager C. D. Herling.

"Bonifay State Farmers' Market sold 7,476 watermelons at 45c each last week. We also had small supplies of tomatoes. Sebago potatoes, eggplants, peppers, okra, butterbeans and touch peas." Manager Lamont Williams reported.

"Pepper led in volume at Brook-er State Farmers' Market the past week at prices ranging from \$2 to \$2.75, averaging \$2.25. Speckled butterbeans led in price at \$3 each for 131 hampers. Volume of all items totaled 3,149 bushels grossing \$6,367.50" Manager R. A. Nettles, Jr., stated.

### Speed Law Changes When Signs Are Installed On Turnpike

FT. LAUDERDALE—Upon recommendation of the Florida Highway Patrol the 60 mile per hour speed limit will continue in effect on the Sunshine State Parkway until new signs have been received and erected, Thomas B. Manuel, Chairman of the Florida State Turnpike Authority, announced here today.

The new signs, which will boost the speed limit to 65 miles per hour day or night by passenger cars and trucks, are expected to be in place within the next two weeks, Chairman Manuel said.

Capt. C. E. Taylor, Commander of the Florida Highway Patrol Troop K, which polices the turnpike, said extra patrols and all available troopers will be on the job on the Sunshine State Parkway during the July 4th holiday period which begins Wednesday at 6 P. M. and ends Sunday night at midnight.

"We will make every possible effort to keep the Turnpike the safest highway in the State," Taylor said. He urged turnpike patrons to check mechanical features of their cars, be certain they have plenty of gas and examine their tires closely.

"Our main problems are blow-outs, cars running out of gas and mechanical failures. If we can keep at a minimum we will eliminate the main causes of accident's particularly when exceptionally heavy traffic is expected."

"Traffic on the turnpike has been increasing steadily in recent weeks and we are expecting even greater use of the turnpike during the holiday period," he said.

To date turnpike travelers have rolled up approximately 75,000,000 vehicle miles with but a single fatal accident which claimed the lives of two people, Taylor pointed out.

### CITRUS QUEEN RESIGNS

Miss Frances Layton, 1957 Florida Citrus Queen, whose parents live in Pahokee, abdicated her title last week to marry Dick Pope, Jr., former national ski champion and son of the owner of Cypress Gardens. The Florida Citrus Exposition has selected Miss Carol Baldwin of West Palm Beach to replace Miss Layton as Citrus Queen.

### Miss Kay Rives Weds John Sellers

Miss Kay Rives, daughter of Mr. and Mrs. Norman R. Rives of Chosen, became the bride of John R. Sellers, son of Mr. and Mrs. H. R. Sellers of Canal Point, at 8 p. m. June 28 at the First Baptist Church in Belle Glade. A double ring ceremony was performed by the Rev. U. W. Malcolm, pastor, in front of the altar banked with palms, candelabra and baskets of pink and white gladioli.

Osceloa Uptegrove and J. Martin of Canal Point presented the nuptial music.

The bride was given in marriage by her father. She wore a floor length gown of chantilly lace over satin fashioned with a scoop neckline. Her fingertip veil of illusion fell from a sequin and seed pearl cap and she carried a bridal bouquet with white satin streamers.

Miss Jean Rives, cousin of the bride, was maid of honor. She wore yellow organdy fashioned in princess style, matching net hat and carried a bouquet of yellow carnations. Bridesmaids similarly attired in pastel shades, were Miss Betty Seale, Miss Eva Jo Bravaldo and Miss Iris McMullen. Marshia Pauline Ellison was flower girl. The ring bearer was Jimmie Seale.

Clinton Sellers of Canal Point was his brother's best man. Ushers were Buck Rives, brother of the bride; Donald Lee Sellers, brother of the bridegroom, Jimmy Dixon of Canal Point and Eugene Hancock, of Tampa.

The mother of the bride chose a navy blue dress with white accessories and a white carnation corsage. The bridegroom's mother chose a lavender print with white accessories and wore a white carnation corsage. A reception was held at the church Recreation Hall following the ceremony. Assisting were Mrs. Henry Collins, Mrs. J. H. McTaggart and Mrs. Grady Smith.

### Baptist Circles To Meet On Tuesday

The WMU Circles of the First Baptist Church will meet Tuesday. The Lucy Jones and Nina Briggs will meet together at the home of Mrs. E. B. Gamble at 3:00 P.M. The Grace Jernigan Circle will meet at the home of Mrs. Glynn Carr at 8:00 p. m. The Fay Taylor Circle voted not to meet during July and August. The members have been invited to meet with the other Circles. The Counselor's Circle will meet at the church at 7:30.

The WMU Associational Meeting will be held at the First Baptist Church July 12th. All of the Auxiliary members are urged to be present. A sandwich dinner will be served at noon.

The regular monthly Deacon's Meeting will be held at the First Baptist Church Sunday at 3:00 p. m.

Rev. James Boyd and family are away on vacation. During the Pastor's absence Dr. N. Q. Geer of Belle Glade will supply. He will bring the messages July 7th and the 14th.

### Is Fishing From Piers Worthwhile In Fla.?

Is it worthwhile fishing from piers in Florida? Yes, advises the statewide Rudy Schaefer Fishing Contest. Some outstanding fish are caught each year from piers as widely separated as Panama City Beach and Sunny Isles.

Now the bonito is considered an ocean fish, but a 20 pounder was entered from the Palm Beach Pier in mid-June. More, weighing up to 18½ pounds, came from Pledger's Pier at Panama City Beach. Before the summer is over dolphin are likely to be decked at the Bay County pier. Then huge cobia will run in the fall, even as they did in the spring.

Over at Naples a leading chan-

nel bass, along with snook, have been entered. More snook are expected from the Naples pier as summer moves along.

The newly catwalked Gandy bridge in the St. Petersburg-Tampa area now can be classed as a pier. Each year big tarpon and sheepshead are registered from there.

Citation-sized mackerel have been weighed at Deerfield Beach Pier; a good tarpon came from the one at Vero Beach in 1956; and mackerel have been consistently entered from Haulover Beach Pier.

Sunny Isles Pier, one of the most famous in Florida, runs about neck and neck with Pledger's and the Palm Beach deck when it comes time to award the coveted Schaefer plaques.

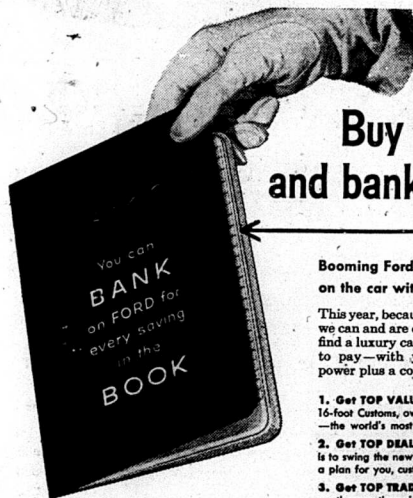

The point to all this is that piers pay off, always in fun, often in the much sought plaques and citations. Pay them a visit as you make your vacation trip of Florida this summer.

### Milk Board May Still Get Axe

TALLAHASSEE—Governor LeRoy Collins has served notice he hasn't given up on abolishing the State Milk Commission. He also intends to set up tax equalization machinery.

Speaking on his monthly radio report to the state Collins said he would try again during the 1959 legislative session to have these and other measures adopted that were rejected by the 1957 Legislature.

While he failed on several major proposals, Collins said the 1957 session approved 47 to 59 separate programs he recommended. Of the programs which failed, the Governor stated he was not letting them drop. He thinks they represent significant reforms and he intends to have the next session reconsider the programs.

## Pick your savings target and shoot straight for it!

**A** home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

## B&PWC Enjoys Chicken Barbecue

A barbecued chicken dinner prepared by Mrs. Johnnie Verhulst and Mrs. Antoinette Vertommen, was the featured attraction at the July social meeting of the Pahokee Business and Professional Woman's Club held at the Woman's Club building Tuesday evening. During the brief business session Mrs. Doris Sasser, Mrs. Allie Okie and Mrs. Verhulst, official delegates, reported on the B&PWC federation state convention held in Jacksonville last month. Guests were Mrs. Flora Childers and Patsy Batchelor.

Northeast Airlines will get a site for a \$2 million overhaul plant at Miami International Airport in the near future. Approximately 14 acres of land will be leased to the airline.

Mrs. I. M. Lair has returned from a visit with her parents, Mr. and Mrs. C. W. Howell, at Luverne, Ala. She was accompanied home by her daughters, Bonniell and Dot Emma Lair, who have been visiting their uncle and aunt, Mr. and Mrs. W. M. Hamm, at Mobile, Ala., for the past three weeks.

The Church of God on Barfield Highway was represented at the annual Wimauma Camp Meeting by the Rev. and Mrs. Lewis Minor, Mr. and Mrs. J. R. Miller, Jr., and family, Mr. and Mrs. Tommy Miller, Mr. and Mrs. Henry Moulton, Mrs. C. A. Stuckey and children, and Mrs. Charlene Schultz.

a castle in the air costs nothing  
—but you can't live in it!

Make your dream house come true! It's easy  
—through Payroll Savings!

If you think you can't own the home of your dreams because the down payment's too steep, chances are you've never tried the Payroll Savings Plan. Because this is the easy, automatic way to meet any down payment—for a house or any large purchase.

Just do this: Sign a Payroll Savings application at your pay office, naming a certain sum to be kept aside from your pay before you get it each week—a few dollars or as much as you want. After that, you're saving automatically—nothing to worry about, nothing to do. And, best of all, the money saved out of your pay each week is automatically invested for you in U. S. Series E Savings Bonds.

Because Savings Bonds earn solid interest—3% cumulative semiannually when held to maturity

—the few dollars saved from your pay each week soon grow into big generous amounts. For instance, if you sign for \$12.50 a week, in just five years you'll have \$3,348.95 cash. In 9 years, 8 months, you'll have \$7,217.29!

So don't let down payments get you down. Meet your needs for ready cash the way more than 8 million other Americans are meeting theirs—join the Payroll Savings Plan today. Or, if you're self-employed, invest in Bonds regularly where you bank. Start now to make your dreams come true!

*If you want your interest at current income, ask your bank about Series H Bonds, which pay interest annually by Treasury check.*

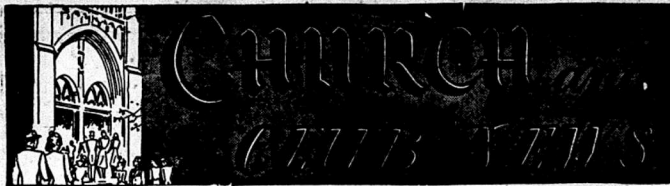

#### Choose your own savings goal

	If you want approximately		
	\$5,000	\$10,000	\$25,000
Save week for 9 years and 8 months, start.....	\$5.00	\$10.75	\$40.00
Save week for 10 years and 8 months, start.....	\$3.75	\$7.20	\$10.75

This chart shows only a few typical examples of savings goals and how to reach them through Payroll Savings. Remember, you can save any amount you wish, and you can change your goal at any time.

### Christian Science Group Of Canal Point

The supremacy and all-power of God—divine Life, Truth, and Love—will be emphasized at Christian Science services this Sunday.

Selections to be read from the Bible in the Lesson-Sermon entitled "God" include the following from Joshua (1:9): "Have not I commanded thee? Be strong and of a good courage; be not afraid, neither be thou dismayed: for the Lord thy God is with thee whithersoever thou goest."

From "Science and Health with Key to the Scriptures" by Mary Baker Eddy will be read the following (228:25-27): "There is no power apart from God. Omnipotence has all-power, and to acknowledge any other power is to dishonor God."

The Golden Text is from Joel (2:27): "Ye shall know that I am in the midst of Israel, and that I

am the Lord your God, and none else."

## It Is Unlawful For Any Person Or Persons To Engage In Business Under A Fictitious Name Unless The Name Is Registered

The fictitious name statute was recently changed by the 1951 Legislature and the News has the necessary forms for proper registration and advertising.

The charge for advertising the notice the necessary four times is \$15.

As amended by the 1951 session, the law reads as follows:

"It shall be unlawful for any person or persons, as defined herein, to engage in business as herein defined, under a fictitious name as herein defined, without and unless said fictitious name shall be registered with the clerk of the circuit court of the county where the principal place of business is, which registration shall consist of filing with the clerk aforesaid an affidavit signed by all interested persons, stating under oath the names of all those interested in the business enterprise, the extent of the interest of each, and the fictitious name under which said business is carried on. Said registration may not be made until the person or persons desiring to engage in business under a fictitious name shall have advertised his or their intention to register said fictitious name at least once a week for four (4) consecutive weeks in some newspaper as defined by law in the county where said registration is to be made, and said registration shall not be accepted by the clerk of the circuit court except upon receiving proof of such publication."

*Uncle Sam made the bonds you own  
an even better bargain!*

# Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.67 . . . a \$37.50 Bond will be worth \$67.34 . . . and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now?—Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 . . . in 9 years and 8 months, you'll have \$2,850.70 . . . and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid  
your interest as current income—  
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

## Now even better! Invest more in Savings Bonds!
